Chief's Test: The test was on Sunday November 13th at 8:00am here at the Main Base. We saw see the annual County Fire Marshal's presentation and then moved out to the Social Services Complex for deployment. The crew's Jobs was to watch and make personal observations so that in the event of an LDH task force assignment and they are part of it, they'll know what is expected. Unless they had a good excuse, they were expected to be in attendance. This was an excellent learning drill for them and they need to learn as much as they can as ALWAYSs in this business.

Training: On November 30th we will be setting up for another extrication drill at Blewitt's yard in Brick. This time we will present some more challenging evolutions for you to sharpen your skills.
